Hi Harry,
Chris Myers is a former regional 8 start if you want I can ask him to reach out to his colleagues there and find out what they know

Sounds great. If you could reach out to Navajo staff that'd be great. I can send a note to Diane to be sure they know.

Update

Region 6 is deploying an OSC. R8 is flying ASPECT for river recon. We need to reach out to Navajo and let them know we're involved and paying attention. I'm expecting to coordinate with 8 and 6 tomorrow.

R8 is downplaying the issue a little, but I think it will become pretty high profile. BLM is worried about recreational property they have downstream that may be affected in Utah.
